# Thank you

Parents, Grandparents, Family and Friends, we hope you enjoy tonight's performance!

We would like to thank each and every one of you for coming along tonight to support our Students and our School.

2023 has been a big year. A new studio space, 4 new staff members and 10 extra classes on the timetable.

We're so lucky to have found Mr Benson and Miss Lala. Our students have already grown so much under their guidance and we're so grateful they have joined us.

We are excited to be able to add RAD ballet exams to the school this year, which would not have been possible without Miss Janae. This is a massive leap forward for our school and we're thrilled to have her as part of the team.

We thank Jess, our new staff assistant, for coming on board this year. Her presence as a third set of hands has allowed us to continue to grow.

Puccetta, the cog that keeps LHDA moving forwards. We thank her for the time, energy and love she puts into the school and for helping to maintain a safe, nurturing space for all our students.

To our wonderful students, the stars of the show, who have put in so much hard work and dedication this year. We have seen so many students kicking their goals and are extremely proud.

A huge thank you to all our wonderful volunteers, who do not go unnoticed and are an integral part of the school.

Sadly each year we farewell students who are moving onto the next chapter of their journey, but tonight is a particularly hard farewell for myself and the school as we say goodbye to two students who have been with us since the beginning of LHDA, Zoe and Haneen, two students who we have watched grow from children into fine young women. We wish them both the very best in their future endeavours and hope to see them continue to be involved in our school in some way in the future.

However the year is not over yet! We look forward to seeing all our students taking part in our 2023 in-house competition in Term 4, for another opportunity to showcase their skills.

To another wonderful year!
