

LHDA 2026 STAGE REHEARSAL

Date: Sunday 27th September

Location: Smith Auditorium, SHORE School, North Sydney

Please arrive at your scheduled drop-off time.

We have a very limited amount of stage time for each dance, and rehearsals must run to schedule. If students arrive late, we may not be able to delay the rehearsal, and their group may miss some or all of their allocated stage time.

Students whose final rehearsal finishes after 2:30pm will remain at the theatre.

There will not be enough time for these students to go home and return before the concert, so they will stay at the venue and begin getting ready for the show.
